

CSG SUMMER  
PROGRAMS

2006

It's A Mystery!  
Grades 1-5  
August in Action, Week 2  
August 7- August 11, 2006

Be prepared this week, because anything can happen! Mysteries abound at CSG as you explore fingerprinting, solve clues on a scavenger hunt, and use magnifying glasses to get a closer look at things! The field trips will captivate you and help you become a detective who helps us solve many mysteries! We will end our week with a pizza party at Chuck E Cheese with our new friends and take one final dip in the Bexley Pool before we say our goodbyes to each other and CSG's Summer Program.

**Monday, August 7**
