

CSG SUMMER
PROGRAMS

2006

Planes, Trains, and Automobiles

Grades 1-5

August in Action, Week 1

July 31- August 4, 2006

All aboard! Get ready for a fun week of learning about ways to get around your neighborhoods, the country, and the world! In addition to the field trips (listed below) we will be using our imaginations and creativity to invent our own modes of transportation. The teachers have planned fun daily activities that will launch you into an exciting week of exploring Planes, Trains, and Automobiles!
